Human Services Department

ALL PEOPLE COMING TOGETHER

It is the goal of the Human Services Department to provide culturally relevant comprehensive services including the incorporation of traditional practices, adult and family behavioral health counseling and support, alcohol and other drug services, and children's treatment services to Native American and Alaska Native persons within the context of a community based primary care health center.

Modern Medicine  Personalized Care

925 Bevins Ct., Lakeport • www.lcthc.com

Our programs are open to all Native American families living in Lake County.

Services are provided at the LCTHC clinic, Parent Child Development Center at Legacy Court or through home visits.

We host a number of events every year supporting wellness in children, teens, adults, elders, families and community.

Call 707-263-8382 to get on our mailing list.
