

Lake County Tribal Health was established to improve the physical, mental, spiritual, emotional, and social health status of the Native Americans of Lake County through the provision of culturally sensitive health care services.

We are also committed to keeping our whole community healthy by providing access to affordable, quality health care.

Everyone has access to all our Medical and Dental services.

Additional services including Human Services, Public Health, Pharmacy and Transportation are available to the Lake County local tribes.

Modern Medicine Personalized Care

ON-SITE MEDICAL CARE

We provide treatment for all acute illnesses and injuries as well as primary medical care for all your chronic medical needs such as diabetes and high blood pressure.

We also provide care through child exams, annual screenings, immunizations, women's health exams, chiropractic, acupuncture, podiatry and much more.

ON-SITE DENTAL CARE

Our dental team will provide you with the highest quality care, utilizing top of the line equipment and the newest technology to maximize your comfort and protect your oral health.

Come visit one of our General Practitioners for complete family care dentistry.

ACCESSIBLE & FAMILY FRIENDLY

Our clinic is equipped with family friendly waiting rooms to make you and your family's experience as pleasurable as possible.

Our certified enrollment counselors will help you enroll in MediCal and Covered California. We also accept Medicare and most private insurances. We have a sliding scale fee based on family size and income for the uninsured.
