Lake County Tribal Health follows the regulations and laws as set by the Indian Health Service and the State of California. Depending on your billing status, you may be financially responsible for all, part, or none of the services performed.

Minor Patients: The parent/guardian of a minor is responsible for payment of the minor's account balance. Payment of treatment of minor children including copays, deductibles, coinsurance or any additional fees are due at the time of service regardless of which parent/guardian is responsible for medical expenses. We are not a party to your divorce or separation agreement. If a divorce or other court decree requires the other parent/guardian to pay all or part of the treatment costs, it is the parent's responsibility to collect from the other parent. Should the issues that come between parents/guardians become disruptive to Lake County Tribal Health, we reserve the right to refuse service to the patient and discharge the patient from the practice.

Please refer to the Billing Department Policy. A copy of the policy can be available upon request. A sliding fee scale is available when a completed application is turned in with the required documentation and a patient is eligible due to the guidelines described on the application.
